Ameriški viski Bulleit Bourbon zori 4 do 6 let v žganih belih hrastovih sodih. Višji delež rži, približno tretjina, daje Bulleit Bourbonu močnejši in začinjen značaj, a hkrati gladek in svež konec. Bulleit Bourbon American whiskey matures for 4 to 6 years in charred white oak barrels. The higher proportion of rye, about a third, gives Bulleit Bourbon a stronger and spicy character, but at the same time a smooth and fresh finish. Bulleit uses natural water filtered through Kentucky River limestone. It is an elegant whiskey, with a characteristic taste of vanilla and spices, and is the winner of many prestigious awards.

ZACAPA XO 0,03L

11,00 EUR

Rum Zacapa XO vsebuje mešanico ruma, staranega od 6 do 25 let v petih vrstah hrastovih sodov, vključno z nekdanjimi sodi za konjak. Tako razkrije svojo značilno aromo zorene češnje in začinjenosti, kar ga postavlja ob bok vrhunskim konjakom.

Zacapa XO rum contains a blend of rum aged from 6 to 25 years in five types of oak casks, including former cognac casks. Thus, it reveals its characteristic aroma of ripe cherry and spiciness, which puts it alongside top cognacs.
